**About .PDF Files:** To read PDF files, you need the Adobe Acrobat Reader. It is a free software installed on almost all computers automatically. If you don't have it, click here and download it (version 4.0 or higher). It only takes about a minute, and again — it's FREE.

If you want to know how to do something, ask someone who is already doing it. This is the vantage point from which the guides are written. Therefore, all material is first-hand, contributed by real entrepreneurs. This allows readers the benefit of learning from those who have been there.
